News No 13    www.st-pauls-swanley.kent.sch.uk    01322 664324    Friday 7<sup>th</sup> December 2018

## Show and Share

Thank you to those parents and families that joined us for Show and Share on Wednesday morning. This was another opportunity for you to look at books, classrooms and other areas of school to see how your children are getting on. I would welcome your

feedback on the timing of this event as we are trying to alternate times so that all parents, including working parents, have the opportunity to attend.

## Governors' Day

On Tuesday, four of our School Governors' joined us to see the school in action. They participated in lessons, break time with the staff, spoke to pupils about school and ate lunch with them. Feedback was very positive, with one Governor commenting

'Team St. Paul's have created a great environment for the children to learn in and 'flourish'.

## School Banners with Sue Salter

Hopefully your child has been telling you about the time they have spent with our 'artist in residence' Sue Salter. Sue has been creating 6 banners that reflect our Christian and School values, which will be displayed in the school hall. Every child has played some part in their creation and they will be able to tell you exactly which part they did. Please do take the opportunity to come in and see them displayed in the hall, next week.

## Inter-Family Sports

Thursday saw the return of the termly 'Inter-Family Sports' Tournament. This term it was Bench Ball, with all children taking part in a game across the afternoon. It was very competitive with family points at stake! Luke were the overall winners and their total points will be added to the yearly final total.

## PTA Christmas Parties

Christmas arrived at St. Paul's this evening, as the PTA Christmas Parties were held in the school hall. There were games, music and food as the children entered into the Christmas spirit. Huge thanks to the PTA and

their helpers for organising the event and giving the children such an enjoyable time.

## End of Term Reports

End of Term reports have been sent home today. These are in response to parent feedback on the questionnaires that we have previously sent. Our hope is that this gives you a further opportunity to understand how your child is progressing during the term including recent assessment results for tests that have been completed.

## Headteacher Hot Chocolate

Mr Hulme will be enjoying hot chocolate with somebody who has gone above and beyond during the week. This week it went to Sophie for always doing the right thing and trying her best in everything that she does!
