Hindleap Warren

Over the weekend, Year 6, accompanied by Mr Ledger, Mr Johnson and Miss Thomas, made their way to Hindleap Warren near the Ashdown Forest for a fun-filled weekend! Friday night started with dinner and a campfire, followed by a self-led orienteering sessions before settling down for bed. The following day, after a big breakfast, led to the leap of faith, zip wire, archery and tunnels. Sunday saw the

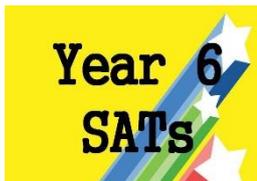

children tackle the climbing wall before making their way back to school. Huge thanks to Mrs Doherty for organising the trip and communicating so well with parents and to the staff that joined the children for the weekend. It was fantastic to hear about everybody pushing themselves to the limit and try their very best to live life in all its fullness. More photos are available via Twitter.

Year 6 SATs

Last week, Year 6 took their SATs in Reading, Spelling, Grammar and Maths. They all worked so hard across the week to show the very best of what they could do.

Results will not be known until July time but we know that they tried their best and that it is one week in a long school career.

CAFOD Assembly

Following SIAMS, the feedback from the children was that they were keen for more outside visitors to join us for Collective Worship. This week, Maureen from the Catholic Agency for Overseas Development (CAFOD) joined us to talk about the work that they do and the support they give. Please ask your children for more information!

Beech African Drumming

Pippa Lambourne from Trinity School, Sevenoaks, joined Beech class for a history of African Drumming workshop followed by actual drumming workshop this week. This is part of the outreach work that they are

undertaking across Sevenoaks. We are also looking forward to a Year 5 singing day, later in the year.

Leading Parent Partnership Award

The second Leading Parent Partnership Award meeting took place on Tuesday, with ten parents joining Mr Hulme, Mrs Simmons and Mr Johnson in the lodge. The aim of this session was to start to put some details together for the Parent Handbooks we are hoping produce for each year group. In addition to this, communication, the school website and contact books were discussed. This is an open group and if you would like to join us for the next meeting, please do let Mr Hulme know.

All Together

Following the Parent Survey in March, we wanted to work on our approach to bullying as a school and ensuring that all children and parents know what will happen if they are being bullied or are the bully. As a school, we will be working towards the 'All together united against bullying' award in partnership with the anti-bullying alliance.

Celebration Assembly

Class	Values Champion	Writer of the Week	Mathlete of the Week
Birch	Amelia SB	Mimi	Leo H
