Dear Parents/Carers

Wear Jeans and Change Lives – Friday 20th September

We are hosting a Jeans for Genes Day in school on Friday 20th September, when children are invited to come to school in jeans and a non-uniform top in return for a minimum donation of £1. All monies donated will go directly to this charity.

Half a million children in the UK have a life-altering genetic disorder. They may have learning difficulties, be confined to a wheelchair, experience epilepsy or autism, or lose their sight or their hearing. They may experience chronic pain or spend many weeks or months in hospital.

Whatever the child or whatever the condition, you can make a difference to these children's lives by helping us raise essential funds on Jeans for Genes Day.

Thank you for supporting Jeans for Genes Day and helping to change children's lives for the better.

Yours faithfully

Mr Ben Hulme
Headteacher
