The role of the PTA in St. Paul's school is to top up on the government funding given to the school. We do this by holding various fundraising events throughout the year, the most traditional are the Summer Fair, Christmas Fair and St George's day parade. We also hold discos for the children, non-uniform days, quizzes, bingo nights, an Easter egg hunt, competitions and sales events.

The money raised by the PTA has in recent years been used to provide the children with the library, the mini bus, the lodge, football kits, the trim trail seen on the Glebe to play on at playtime, iPads for the classrooms, books for Read, Write, Ink, to pay for transport to the annual pantomime trip, prizes for the Christmas jumper competition, Christmas selection packs, Easter eggs for the whole school after the Easter egg hunt and the leavers signature books.

As you can imagine, a lot of hard work goes into planning these events, and the PTA meet to discuss them as regularly as possible. All parents are encouraged to attend PTA meetings when possible to bring in fresh new ideas and to help with implementing them. Joining the PTA doesn't mean making a long-term commitment. Often we will ask for help to run events like the discos, movie nights and fairs and this can be done on a one off basis or regularly depending on how much time you can commit.

You don't even have to attend every meeting. There are so many ways you could help.

If you are unsure what you can offer:

- Could you spare a few hours to deliver leaflets in your local area for our bigger events?
- Do you work for a printers or have any knowledge of leaflet or poster production? Could you make our next advertising campaign POP?
- Have you got a talent that you could share with children at a workshop? Do you have any particular skills that would benefit the kids?
- Could you attend meetings to input your ideas?
- Do you have a spare hour to do the smaller tasks visiting local shops to ask to display our posters or ask about sponsorship for events?
- Is there anybody you could approach to get us a discount on any of the big ticket items the PTA purchase?

The school PTA events this school year look loosely like this, dates and events could be changeable and some events will be chargeable:

Friday 27 September	Bingo – bring the family along and win yourself a prize! £1 per person to attend
Friday 4 October	Movie Night - £3 per person to attend, held straight from school in the hall

The money tree is a stall at the Christmas fair where children or adults pay to take an envelope off the money tree, one lucky envelope will contain a £5 note, the rest will be donated by the parents of the school where we ask for three different coins to be placed in an envelope and returned to school.

We try our best to space the events out throughout the year, and to make them as cost effective for families as possible, along with making a profit for the PTA. We want the children to enjoy the events and to have as much fun as possible whilst making money for the school.

Don't forget that we take payments for events through many different means, cash is always welcome along with any return slips put in an envelope marked for the attention of the PTA and posted in the red post box outside Mrs Simmons' office. We also take bank transfer to account 00404241 sort code 20-25-42, putting the name of the event as the reference. Cheques should be made payable to Friends of St Paul's School, Paypal transfer can be made to [stpaulspta@hotmail.com](mailto:stpaulspta@hotmail.com) and we also use a SumUp card machine to take card payments for all of our events.

We are always looking for new ideas, and will always look at events on an individual basis to see if it is financially worth doing something. Sponsored events are now a possibility as we have a Virgin Moneygiving page. If you are a runner or cyclist in particular the PTA would like you to enter races or fun runs to raise money for the school. We have a marathon runner entered for next year's London marathon, we have paid for her place and in return she has already made a large sum of money for the PTA, hosting a Valentines Ball to cover the fees. If there is an abseil you fancied doing, a bungee jump, a skydive or a mountain climb you wanted to do but didn't think you would ever be able to raise the funds by yourself come and have a chat with us and we will see what we can do for you!
