Dear Parents/Carers

Invitation to: Meet the new Emotional Wellbeing Team (EWT) & Understanding Children's Behaviour

As you may have seen in the letter sent out previously to you, we are delighted to let you know that that St. Paul's C of E Primary School has agreed to take part in a government trailblazer programme piloting emotional wellbeing teams in the schools with the aim of supporting children's emotional wellbeing. This is a new team created this year and St. Paul's C of E Primary School is one of the few schools in the UK to receive them.

By way of introduction to this new team, we would like to invite you to attend a session with the school and the Emotional Wellbeing Team on: 28th November from 2.15-3.15pm at school.

The session will look at:

- How you can better understand your child's behaviour and/or anxiety
- How you can most effectively support your child's behaviour and/or anxiety

It will be an opportunity to meet the Emotional Wellbeing Team and hear about the support available. This session is intended to be a taster session and we will be interested to hear your ideas about other topics that would be of interest to you. If you are interested in attending, please book via School Interviews using the code kfn86.

Please note that there are a limited number places available. However, if there is sufficient demand, we will run a repeat session at a later date.

If you are interested but would like to speak to someone first, please contact Mr Hulme via the School Office.

If you are unable to attend but would like to give some feedback on other topics of interest, please do let the Office know.

Yours sincerely

Dartford Emotional Wellbeing Team (EWT)

Ben Hulme
Senior Lead for Mental Health
