Football vs. St. Anselm's

The Boys Football Team made their way to St. Anselm's Primary School in Dartford for the first game in the FA Small Schools tournament. The whole team played really well with a brilliant performance from James Day in goal. The game was thrilling from end to end going through to penalties with St. Paul's winning the game 2-0. This means that we move onto the quarter final against Dartford Bridge or Wilmington Primary School.

DT Week – 25th November 2019!

Thank you to those parents/carers that have loaned us sewing machines – we will be using these next week as part of Design and Technology week. We are still looking for fabric that can be used by the children

so if you have any off-cuts, duvet covers, pillow cases or sheets that can be used, please do bring them into your child's class teacher.

Leading Parent Partnership Award Meeting

The next meeting of the Leading Parent Partnership will take place on the 12th December 2019 in the School Lodge. This is a group that started last year and looks at a range of different things across the school such as parent communication, homework, website and school events. This is an opportunity to have a say in the future development of the school, not a forum to talk about individual issues that are affecting your child. If you would like to join the next meeting, please do register your interest via School Interviews using the code pduqc.
