## CHRISTMAS RAFFLE

Dear Parent/Carer

One of our most lucrative and successful stalls at our fairs has always been our raffle stall and we are hoping this year, despite being unable to hold the fair, our raffle will still be a success.

Covid may mean that we cannot get together in the usual ways, however, some generous local businesses have agreed to donate money to our raffle so that we can raise money for the school even without a fair. We won't have quite as many prizes on offer this year, but we hope that the parents will support it still. We have three prizes of £100, £50 and £25 cash.

Tickets will not be sent home this year, but those wanting to buy tickets must:

- Email the pta account at **stpaulspta@hotmail.com** and state the amount of tickets they wish to purchase, and their child's name and class and a contact telephone number.
- Make a bank transfer using the reference of "Raffle". The account is in the name of '**Friends of St Paul's School Committee**', account number 00404241 sort code 202542.
- On receipt of payment and an email, the PTA will respond with your raffle ticket number/s.

The tickets are £1 each. **All tickets must be purchased by midnight on Friday 11<sup>th</sup> December**, otherwise they won't be entered into the draw, **which will be drawn by Mr Hulme on a live zoom call on Monday 14<sup>th</sup> December at 4pm**. The Zoom details for this call, will be sent out via School Comms closer to the draw.

We are aware this is a very long-winded way to do a raffle but believe it to be the best way to run it in a Covid safe way.

If you have any questions, please speak to the committee.

Yours sincerely

**Your PTA**

**Thank you for your support**
