

“...Let us remember that, as many hands build a house, so many hearts make a school.”

ST. PAUL'S CHURCH OF ENGLAND PRIMARY SCHOOL

26.3.2021

Dear Parents and Careers,

Animal Experience Day in Oak Class – Friday 23rd April 2021

Next term, we will be learning all about living things and their habitats. To kick this learning journey off, on **Friday 23rd April**, we will be celebrating animals from around the world. As part of this day, we will be building our own habitats, acting in some drama and completing a range of activities that will enthuse the children about the learning ahead. We will also be celebrating our two new whole-class texts 'Leaf' and 'Moth'. Two texts that I cannot wait to share and explore with the children.

As part of the day, we would love for the children to dress up as their favorite animals. Please do not go out and buy a special outfit, home-made outfits are really welcome, adapting a coloured t-shirt, skirt or trousers into your favourite animal, would be ideal! They can come to school in their costume and spend the day in it. Therefore, appropriate shoes should be worn and nothing too precious should be worn, as the children will be having break time in their costume.

I look forward to enjoying this day together and cannot wait to see the children's outfits!

Yours sincerely,

Mr Johnson
Oak Class Teacher
