Dear Parents/Carers,

Maple Class 'Perform' Workshops – Civil Rights Movement and WWI/WWII

As part of our curriculum study this term, we have been learning about the Civil Rights Movement. We have learnt about the courageous bravery of influential characters to the movement, such as Rosa Parks and the Montgomery Bus Boycott and Martin Luther King, as well as many others.

Next term, we will be learning about World War I and World War II; the key dates and events that led to the mass devastation and change to Europe and to the world we know today.

'Perform' is a drama company, that helps to bring learning to life, taking the children back to the period of time for each topic, through professionally trained actors using drama, role-play and improvisation, they will provide an engaging and stimulating platform for the children to explore the topics and learn about them in greater depth. **We have booked for Perform to come and run two workshops for Maple class, on Friday 4th February 2022.** You can see the work that Perform do, by visiting www.perform.org.uk

We have negotiated a discounted rate for the two workshops, and the cost for each child will be **£5. A payment has been set-up on Schoolcomms under the payment 'Maple Perform Workshops'**. Please can you make the payment by Thursday 3rd February 2022.

We really appreciate your support for the workshops and know that the children will greatly benefit from the experience they will receive.

Yours faithfully

P.P.
