

“...Let us remember that, as many hands build a house, so many hearts make a school.”

## ST. PAUL'S CHURCH OF ENGLAND PRIMARY SCHOOL

25<sup>th</sup> February 2022

Dear Parents/Carers,

### Maple Class Visit to Bore Place

As part of our curriculum study this term, we have been learning about the global population and the effects on the environment. We would like to take the children on a visit to **Bore Place in Chiddingstone**, to bring the topic alive, through two interactive workshops. This will take place on **Tuesday 8<sup>th</sup> March 2022**. The full address is: Bore Place Road, Chiddingstone, Kent, TN8 7AR. Please can you bring your child to school promptly on the morning of the trip, so we are able to register the children and leave swiftly on the school minibus. We anticipate the travel time to be approximately half an hour.

The workshops will involve the children being both inside and out on the day, so please can the children bring a spare set of outside shoes/boots to wear, which will get muddy. Wellington boots would be ideal.

The children should wear a full school uniform with sensible walking shoes. They will need a warm waterproof jacket for all weather eventualities and hat and gloves. The children will need to bring a full packed lunch for the day in a disposable bag and a bottle of water.

The cost of this trip is **£11.00 per child**. This includes entry to Bore Place, a tour guide at the site and specialist subject workshops. This should be paid directly via the School Comms app under the title '**Bore Place Visit**'. We will leave the payment open **until Monday 7<sup>th</sup> March 2022**. You can pay the amount in increments or all at once; whichever is more convenient for you.

We anticipate returning to school at normal pickup time; should this time change on the day we will alert you via text on the School Gateway app.

Many thanks for your continued support.

**Mr Ledger**  
**Acting Head of School**
