Mother's Day Tea – Friday 18th March and Monday 21st March 2pm-3.15pm.

Dear Parent/Carer

We are very excited to bring parents, children and the special females in our lives the opportunity to join us at School for a treat and a gathering. We have two sessions available Friday 18th March and Monday 21st March. Both sessions will run from 2pm-3.15pm.

There are 40 spaces for each session and we hope you can join us! The cost of this event is **£5** per adult (siblings and additional children are free). We will have available a **scone, clotted cream and jam** along with a **tea or coffee**. Children/siblings are welcome to enjoy a doughnut and a glass of squash - on us. Please note that these spaces are based on first come first serve, so book early to avoid disappointment!

This event requires a 2 step registration and payment system.

Please register your interest via www.schoolinterviews.co.uk and enter the code **5sqxc**. Please enter the total number of people (including siblings/children) you wish to attend and which date.

The payment method will be via School Gateway under the payment "Mother's Day Tea", in the same way that you pay for clubs and trips. Please pay the full amount in one payment.

The bookings and payments will close on **Friday 11th March 2022**. Please ensure that you book by this date as unfortunately we will not be able to accommodate any late bookings.

Yours faithfully - **The PTA**
