

“...Let us remember that, as many hands build a house, so many hearts make a school.”

## ST. PAUL'S CHURCH OF ENGLAND PRIMARY SCHOOL

19<sup>th</sup> October 2022

Dear Parents/Carers of Oak and Birch Classes,

### Astrodome in School – Thursday 24<sup>th</sup> November 2022

Our learning in Oak Class this term and next, has been based on space and explorers, such as Neil Armstrong. Birch Class will learning about space next term and reading a book called 'The Way Back Home', which explores a young boy's unexpected visit to the moon!

To bring both of these topics to life and give the children a first-hand experience of a view in space, we have booked an Astrodome to visit the school on **Thursday 24<sup>th</sup> November 2022**. This will give the children a simulated experience of both the sun and moon, shooting stars, constellations, Northern lights and planets. They will also explore the concept of weightlessness in space. The children will be able to sit in the astrodome and watch the stars and planets move above their heads!

This is a wonderful experience for the children and we have kept the cost to a minimum of £5 per child. This can be paid via Schoolcomms, under the payment 'Astrodome' until Monday 21<sup>st</sup> November 2022.

Yours faithfully,

**Mr Hulme**  
**Executive Headteacher**
