Oak—Term 2

English	This term in English, the children will be exploring their new book 'Beegu'. They will be writing letters, diary entries and storyboards in order to develop their writing skills and increase their vocabulary. There will also be writing opportunities in the provision for the children to extend their knowledge on narrative based writing.
Maths	The children will be looking at addition and subtraction this term. We will be securing their understanding of numbers from 1-50 and securing their knowledge on number bonds to 20. The children will be looking at different types of number sentences and different types of problem solving and reasoning to strengthen their answers.
Science	This term in Science, the children will be continuing to look at using everyday materials. The children will be taking part and exploring their own investigations as well as understanding why different materials are used for different tasks. This term is based on testing these materials and understanding their different properties in detail.
History	In History this term we will be continuing to look at Explorers! We will be looking at Neil Armstrong and Christopher Columbus and comparing the two explorers. We will be understanding what different explorers took on their 'missions' and why this equipment was important.
Art/DT	In art this term, the children will be working in three dimension. It will link to our science topic on materials and the children will understand that making sculpture is a partnership between materials, ideas, hands and tools.
Music	The children will be learning the xylophone this term. They will perform and create music and become more confident in performing to an audience. The children will also have an opportunity as part of our learning on 'Beegu' to explore different types of music.
Computing	The children will be continuing to develop their Computing skills this term and looking at questioning We will be discussing the importance of different types of questioning. They will be doing this through creating pictograms and asking yes/no questions.
RE	In R.E, the children will be looking at 'Why is Christmas important to Christians?' We will be exploring the nativity story and looking at different reasons why Christmas is important to Christians. The children will be performing the nativity at the end of term.
PE	This term in P.E, the children will be exploring team games and looking at Netball and Basketball. They will be developing their handling skills as well as their agility and balance.

Core Books

Beegu is not supposed to be on Earth. She is lost. This is a simple, bittersweet story telling a familiar tale of a child separated from her parents who struggles to cope in an unfamiliar world. It deals with themes of hope, kindness, loneliness and being an outsider. Alexis Deacon's simple text and illustrations, with stark empty backgrounds, allow the luminous Beegu to stand out. There is a childlike perspective to this touching tale.
