

“...Let us remember that, as many hands build a house, so many hearts make a school.”

## ST. PAUL'S CHURCH OF ENGLAND PRIMARY SCHOOL

15<sup>th</sup> November 2022

Dear Parents and Carers,

### Whole Forest School Day – Tuesday 29<sup>th</sup> November 2022

My name is Jacob and I am the chair of the school council. I am writing about Forest School Day 2022, which will take place on **Tuesday 29<sup>th</sup> November 2022**.

The St. Paul's School Council, is a group of children who make decisions on how to improve our school. Our year groups democratically elected us all. We listen, take ideas from the children in our year groups and see what we can do. We then raise each year groups concerns at the meeting. Then, I report directly to Mr. Hulme and Mr. Johnson about some of the actions that we would like to take. I also report to the whole school during celebration worship.

The first project that we would like to introduce is Forest School Day 2022. Our plan is that children will work alongside different children from all year groups and participate in a forest school day. The children will work with different teachers and teaching assistants, who will help them with the different activities. This event is free of charge and will be held in the forest school area. We are doing this because children love forest school and it is a fantastic opportunity to learn with new children in different year groups.

Children will be required to bring in their wellies and waterproofs/forest school attire for this day, as it may be wet and muddy. The conclusion of the event will consist of any opportunity to all meet together, sit by a fire, sing songs and have hot chocolate and marshmallows!

I look forward to making you aware of any other exciting projects that we have and allowing the children at the school to step further out of the boat.

Yours faithfully,

**Jacob**  
Chair of the St. Paul's School Council
