Dear Parents and Carers,

Beech Visit to Chessington World of Adventures – Thursday 15th June 2023

As part of our topic work on forces and motion, we have booked an exciting trip to Chessington World of Adventures, Chessington, KT9 2NE, on **Thursday 15th June 2023**.

As part of the trip, we will be attending a workshop on Forces. In the workshop, the children will explore what makes the rides at Chessington work. They will also have the chance to find out about the forces we need for the rides through hands-on-activities. The children will also have the chance to go on a selection of rides and attractions appropriate for their age and height.

We shall be leaving St. Paul's promptly at 8.30 am, please arrive no later than 8:15am. We will aim to return after the end of the school day at approximately 4:30pm. Please note that this return timing is an estimate and is subject to change on the day, due to traffic. However, we will contact you via Schoolcomms, if we are severely delayed.

The children should wear full school uniform and bring a warm waterproof raincoat, hat and gloves. Your child will require a packed lunch, in a disposable bag with two bottles of water. As normal, this should be a healthy lunch that will keep the children full of energy for the trip!

The cost of the trip is £15.00, which includes entry to the park, travel to and from Chessington and a specialist workshop. Your child will not need to bring any spending money and we do not require any parent helpers on this occasion.

Please pay for this trip via the School Gateway app under the payment '**Beech Trip to Chessington World of Adventures**'. Please pay in full by **Wednesday 14th June 2023**.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Miss Taylor
