Remembrance Service

A poignant remembrance service, led by Maple class, was held at St. Paul's Church today. This was an opportunity to remember the ultimate sacrifice that so many people made during the World Wars and many other conflicts since. We spoke in school about the end of World War One, 100 years ago and how many family members and relatives were affected. Thanks to those parents and carers that joined us for the service.

Parent Consultations

Thank you for the time that you took to attend Parent Consultations to discuss the progress that your children have made since the start of September. It was lovely to see such animated conversation about the curriculum, learning journals

and confidence that your children have developed. The following email sums up the feedback I had from the majority of parents.

'I felt I needed to drop you a message, to say thank you to your lovely staff for taking the time out to speak to us about our children, at Parents Evening tonight.

We feel they really have observed and got to know them. We are grateful for the depth of knowledge they were able to impart about their progression and their interaction in class. Both teachers gave us ideas on how to further support our children at home and we really do feel we are so lucky to have them at St Paul's.

We could not have been happier and would like to thank you for all the hard work you and your team are putting into making the school such a great environment for education and personal development.'

If there are any other suggestions or improvements that you feel could be made, please do let me know.

Book Fair

Thank you to all those parents/carers who purchased books from our two book fairs this week. The school will receive commission on sales, in the form of new books, for the school library.

Beech: Ancient Egyptian Day

On Tuesday, Beech Class went to Kent Life in Maidstone to learn about all things Egyptian. It was a great day, and the children took part in a variety of activities. They learnt how to dance like Egyptians, how to entertain a Pharaoh, how to mummify a

body, how to dress like an Egyptian and what medicines were used to treat illnesses and injuries. The feedback from the children has been great; we hope to organise more trips to Kent Life in the future.
