CHILDREN IN NEED

In a heart-Twarming display of community spirit and compassion, our school rallied together to raise an impressive £105 in donations for Children in Need. The fundraising initiative was not only successful but also infused the school with a vibrant burst of colour and enthusiasm. Children eagerly embraced the charitable cause by donning bright, spotted clothes, turning the school into a kaleidoscope of colours and patterns. The funds collected will undoubtedly make a meaningful impact on the lives of children in need, providing essential support and resources. Many of these charities work within our community. For example, the West Kent Housing Association, who provide after-school clubs to children and young people experiencing local deprivation in Sevenoaks. So far this year, we have raised a total of £402 to charitable causes, this helps to make a positive impact on the lives of those in need. Each individual fundraising effort, whether big or small, contributes to this collective sum, amplifying the significance of our community's generosity.

MESSAGE FROM MR JOHNSON

This week, we held our parent consultation meetings. This was an opportunity to meet your child's class teacher and discuss how they have settled into the new academic year and their progress so far. We have received some really positive feedback on the consultations. Lots of the feedback centred around the quality of conversation and the detailed understanding that the teachers had of the children in their care. Once again, I would like to thank Miss Craft, Miss Taylor, Miss Draper and Mr Dickens for their hard work and determination to make sure that every child flourishes.

Next week is Governor Monitoring Week. This is an opportunity for the governors of the Compass Federation, to come into St. Paul's and experience day-to-day life of the children and staff. Throughout the week, every member of our school community will be talking to the governors, about key areas on our School Development Plan and about how St. Paul's enables all members of our community to live life to the fullest. There is also an opportunity for parents and carers to speak to the Chair of Governors and the Vice-Chair. Please see my email regarding this for further information.

THE BOOK FAIR

Excitement and anticipation buzz through the hall as the Scholastic Book Fair arrives at St. Paul's. The fair, a treasure trove of books spanning genres from adventure to fantasy, is a celebration of literacy that fosters a love for reading within our community. The clock is ticking, as the fair is only with us until next Wednesday. As of now, our collective efforts have translated into the sale of an impressive £220 worth of books. If we manage to exceed the £300 mark, a cascade of rewards awaits us. We will be able to take books from the Book Fair and put them into our school selection as a permanent fixture. The payment system is all online this year so please come with your card and your phone!
