Beech — Term 5

English	This term in English, the children will be exploring their new book 'Falling out of the Sky'. This is a collection of poems and the children will be exploring how we can relate poems to narratives. The children will be writing their own poetry and narratives over the term. We will be exploring how poetry can link to story telling in different forms.
Maths	Year 3—The children will be developing their knowledge on fractions and will learn how to count up and down in tenths, We will also learn about unit fractions and non unit fractions. We will also be looking at shape this term. Year 4—The children will be making links between fractions and decimals and learning how to interpret data using graphs.
Science	This term in Science, the children will be exploring sound. We will be learning about what sound waves are and how sound is produced. The children will also be learning about frequency and pitch the amplitude of sound and how scientists design objects that use sound.
History	The children are going to be learning about Ancient Greece this term. We will think about how Ancient Greece was organised and what the Golden Age of Greece was. The children will be exploring what the Ancient Greeks believed and who the philosophers were. We will think about the Peloponnesian War and study Alexander the Great.
Art/DT	In art this term, Beech will be exploring creating patterns in their artwork. The children will have the opportunity to explore pattern and develop a range of technical skills through drawing and collage. The children will create repeated patterns and will be thinking about the relationship between different colours.
Music	The children will take part in their music lessons with Mr Winston, expanding their musical understanding and widening their use of musical language. They will work to develop their performance and composition skills to create a wide range of performances.
Computing	The children will be continuing to develop their computing skills this term and will be learning what a branching database is and how to create them independently. This will link to our classifying from earlier in the academic year. This understanding will help to develop the children's understanding of branching databases.
RE	In R.E, the children will be exploring the Kingdom of God through looking at the impact of Pentecost. We will make clear links between the story of the day of Pentecost and Christian belief about the Kingdom of God on Earth. The children will also give examples of what Pentecost means to some Christians.
PE	This term in P.E, the children will be exploring tennis and rounders in PE. They will recap their understanding from last years learning and develop their skills this term. These sports enable children to control their throwing, catching, hitting and defending skills

Core Books

Falling Out of the Sky

POEMS ABOUT MYTHS AND MONSTERS

Falling out of the Sky

This anthology brings together new poems by myths, legends and folk tales. Many focus on Greek myths, such as Ech and Narcissus, Arachne, Apollo, Prometheus, Pandora and Persephone. Falling out the Sky is a friendly introduction to poetry as well as the joy of literature. In tales about the beginning of time to the end of the world, poets and characters speak directly to the readers, revelling in the possibilities of storytelling.
