20<sup>th</sup> June 2024

Dear Parent/Carer,

### **Year 6 PSHE and Relationships Programme**

Promoting the health and well-being of our pupils is an important part of their overall education. We do this through our Personal, Social and Health Education (PSHE) programme. This looks at many topics including physical and emotional health, all kinds of relationships, and living in the wider world.

In the next few weeks our school will be welcoming the leading children's health and wellbeing charity, Coram Life Education (CLE) into our school to deliver some of the relationships and sex education (RSE) aspect of our PSHE programme to years 4, 5 and 6. This programme is designed to help children make healthy choices and keep themselves safe during their school years and beyond. From September 2020 relationships education became a legal requirement; parts of sex education were already legal requirements before this time, within the National Curriculum. The design of the programme has taken into account the requirements of the statutory guidance, up-to-date best practice guidance, and the needs of our children.

You and your child will have the opportunity to give us valuable feedback regarding the programme; we will be conducting some evaluations with the children following their session and you are very welcome to come into school to see the resources for yourself.

The workshops, led by an experienced, trained CLE educator, will be delivered to our Years 4, 5 and 6 pupils and will focus on body changes and keeping safe. Your Year 6 child will be exploring these themes through examining the following questions:

- What are personal boundaries?
- Who can I talk to if I feel uncomfortable or if someone isn't respecting my personal boundaries?
- What kind of physical contact is unacceptable and how should I respond?
- What language is appropriate and inappropriate when talking to my peers?
- How can I use my mobile phone in a responsible way and respect other people's boundaries?
- What is a stereotype and how can it be negative?
- How will my body and emotions change as they approach and move through puberty?
- How do I feel about growing up and changing?
- How do humans reproduce?
- Can people of the same sex love each other? Is this ok?
- What do I do if someone wants me to do something I know is wrong or makes me feel uncomfortable?
- How can I say 'no' to someone and keep myself safe without hurting their feelings?
- Who can I talk to if I want help and advice or am worried about someone else?

Appropriate questions that children might ask during the workshops will be answered honestly, factually and in the context of safe, supportive, loving, and caring relationships. Each pupil's privacy will be respected, and no one will be asked to reveal personal information. All resources that will be used have been reviewed by the school for their suitability, and tailored to suit our children's needs.

There is sometimes concern that RSE in school might promote sexual experimentation or cause confusion about an individual's sexuality. The research on quality RSE in the UK by the National Survey of Sexual Attitudes and Lifestyles team over several years consistently shows that adults who reported that *lessons at school were their main source of information about sex* were more likely to have started having sex at a **later age** than those for whom parents or other sources were their main source.

We recognise that parents and carers play a vital part in their child's RSE, and we encourage you to explore these questions with your child at home as well. If further advice or support is required or you have questions about the programme and resources, please do not hesitate to speak to your child's class teacher or the Headteacher.

Yours faithfully,

A handwritten signature in black ink that reads "J. Johnson". The signature is written in a cursive style with a large, prominent initial "J".

**Mr James Johnson**  
**Head of School**
