Dear Parents and Carers,

As no one has stepped forward to take over the PTA this year, the existing committee will be continuing for now - but we'd really like to do things differently. Our aim is to make it easier for everyone to get involved, share ideas, and help us reach our fundraising goal of £10,000 this year.

Rather than the PTA running every event ourselves, we're opening things up to parents, carers, or friendship groups within the school who'd like to take ownership of an event. You can either:

- Choose an event from a list we'll share soon, or
- Come to us with your own idea for something new.

Anyone wanting to run an event will just need to email the PTA outlining the event idea, budget, how it will run, and the estimated amount it could raise. Once agreed, it will be your event to run - we'll of course offer guidance and support along the way.

At the Summer Fair, each year group will also be given a stall to arrange and run themselves – it can be anything you like, from games to food or crafts!

We'll also be creating a PTA Community WhatsApp group, where we'll share upcoming events, opportunities to get involved, and updates on how much has been raised. A link will be sent out via class WhatsApp's over the coming week.

We hope this new approach encourages more people to take part, share ideas, and help make this year a really successful one for the school and our children!

Thank you as always for your support and enthusiasm, we couldn't do it without you!

Thank you,  
Haylie, Hannah & Serena
