6th January 2026

Dear Parents and Carers,

Year 3 Compass Federation Design Day – Dunton Green Primary School – Friday 23rd January 2026

On **Friday 23rd January**, our **Year 3 children** will be taking part in the **Compass Federation Design Day**, which will be held at **Dunton Green Primary School**. This is a Year 3 event that brings together all children from across the Compass Federation, including pupils from St Paul's, Dunton Green and St Edmund's, giving them a wonderful opportunity to learn and work alongside children from other schools.

Throughout the day, the children will be immersed in a creative design experience. They will be introduced to the world of product and graphic design and will work collaboratively in mixed-school groups on an exciting design challenge. The focus of the day will be on creativity, teamwork and problem-solving, with time to develop ideas, refine designs and share outcomes at the end of the event.

The children will travel to and from Dunton Green Primary School on our school minibus and will return to St Paul's by 3.30pm. The children should get to school in the morning at normal time. As school lunches will not be provided on this day, **all children will need to bring a packed lunch and a water bottle.**

Children should attend school in **full school uniform** and ensure they bring their **water bottles** with them for the day.

We are very much looking forward to this inspiring day and are confident it will be a valuable and enjoyable experience for our Year 3 pupils.

Yours sincerely,

Mr Johnson
Head of School
