29th January 2026

Dear Parents and Carers,

Wear What You Love Day – Friday 13th February 2026

We are delighted to share that on **Friday 13th February**, we will be holding **Wear What You Love Day** as part of our school's ongoing Fullness Journey. This special day invites children to come to school wearing anything they truly love—an outfit, colour, theme, or item that brings them joy and helps them express who they are. It could be a favourite sports kit, a princess or superhero costume, a cosy hoodie, a onesie, something they have made themselves, an outfit linked to a hobby, a character they adore, or simply clothing that makes them feel happy and confident. The aim is for every child to feel free to celebrate what makes them unique.

This event is deeply connected to our school vision of “life in all its fullness” (John 10:10). We believe that children flourish when they are encouraged to be themselves, to express their individuality, and to feel valued within their community. Wear What You Love Day gives us a joyful opportunity to honour the fullness of life that each child brings to our school—full of personality, creativity, and character.

There are a few important guidelines to help ensure the day runs safely and smoothly. Children must wear sensible footwear, and sandals are not permitted, even if they are a treasured favourite. Outfits should be suitable for break and lunchtime activities, including outdoor play, as the school day will follow its normal routine. Please also keep in mind that clothing may get a little dirty throughout the day.

We are kindly asking for a £1 donation to take part. All funds raised will go into our Fullness Charity Pot, and, in keeping with our vision and values, the children themselves will be choosing the causes that matter most to them. This empowers pupils to think about compassion, justice, and the wider world, helping them live out our vision of fullness in a practical and meaningful way.

Thank you for your continued support. We look forward to a joyful and colourful day celebrating the things our children love most, and the fullness of life they bring to our school each day.

Yours faithfully,

Mr. Johnson
Head of School
