Meet the Teacher Evening

Dear Parents/Carers,

As we begin another exciting year at St Paul's, we would like to invite you to our **Meet the Teacher Evening on Wednesday 16th September**.

This event provides an opportunity for you to meet your child's class teacher, learn about the year ahead and gain a deeper understanding of the curriculum, routines and expectations within your child's classroom. Prior to this, I will also be available for a short '**Meet the Head**' at **15:00** in the main hall.

At St Paul's, our teachers invest a significant amount of time and care in preparing high-quality learning experiences for every child. Before the school year begins, staff spend many hours planning the curriculum, organising classrooms, preparing resources and ensuring that every child is supported to flourish both academically and personally. Meet the Teacher Evening offers a valuable opportunity to see some of this work first-hand.

During the session, teachers will share:

- An overview of the curriculum and key learning for the year.
- Classroom routines and expectations.
- Reading and home learning arrangements.
- Important information specific to your child's year group.

We firmly believe that strong partnerships between home and school play a vital role in helping children achieve their very best. By working together and maintaining open communication, we can ensure that every child has the support, encouragement and opportunities they need to thrive.

We hope that you will be able to join us and look forward to welcoming you into school as we begin another successful year together.
