Dear Parents/Carers

### Bikeability Cycle Training – February 2019

Bikeability is a National Standard cycle training course comprising of 3 levels designed to give the next generation the skills and confidence to ride their bikes on today's roads. Therefore, we have organised cycle proficiency sessions for all our Year 6 students. This training will cover level 1 and 2 and will teach them about how to control their bicycle, to make manoeuvres safely and improve hazard awareness. It will show them how to complete basic cycle safety checks, improve their knowledge of important road signs and increase their observational skills when cycling on the road. The cost of this very important life-skill will be £12 per child.

It is beneficial for your child to use their own bike and helmet, but if they do not currently have their own, the school can provide them.

The sessions will be as follows:

Date/Time	Group	Session
<b>Wednesday 6<sup>th</sup> February</b> 09:00 – 12:00 morning only 13:00 – 15:00 afternoon only	9 children 6 children	Level 1 – on the playground
<b>Thursday 7<sup>th</sup> February</b> All day 09:00 – 15:00	Group 1 (8)	Level 2 – on the road all day
<b>Friday 8<sup>th</sup> January</b> All day 09:00 – 15:00	Group 2 (7)	Level 2 – on the road all day
